WORLD STAMP  
EXHIBITION

PALMÁRE / PALMARES

# **JURY REPORT PRAGA 2008**

As this is the first FIP international exhibition to be held over just 3 days, it provided a challenge to the exhibition organizer to get the exhibits in the frames sufficiently early for the Jury to manage its workload in an appropriate manner. In each case, the planning and hard work of those involved made these goals achievable. The Jury would like to thank the Organising Committee for providing the facilities that made its job easier, and the national Commissioners for bringing so many interesting exhibits. The short timescale imposed a heavy load on the Expert Team, whom we thank as well as all those that assisted them. All judgments were made unanimously and harmoniously.

We were delighted to see the large crowd of collectors that poured in to see the stamps in the frames, which indicates strongly the interest in Czech philately.

The Jury would like to thank Her Majesty Queen Elizabeth II and the other participants in the Official and Invited Classes for showing their fine stamps that added to the enjoyment of the visitors.

A number of exhibits were transferred within classes to enable them to achieve higher awards. It was with regret that for technical reasons exhibits 2499, 2581, 3113, 3119, 4043 were taken out of competition.

Francis Kiddle  
Secretary to the Jury

Lumir Brendl  
President of the Jury

Jos Wolff  
Honorary President of the Jury
